

# PENNHILLS PERSPECTIVE

## APRIL, 2017

### FROM THE GENERAL MANAGERS DESK

Welcome to the 2017 golf season. I welcome all new and returning members to the Pennhills Club Family.

The winter weather was quite mild for two years in a row now. I am sure that some of you would have preferred a bit more snow. But the golf course came through the winter season with minimal damage. There was more tree damage this year than has been experienced in the last couple of winters. But with the help of several members, we do have a variety of trees being replaced on the course this season. Please contact myself if you could consider contributing to this much needed project.

The Blaisdell Pro Am is already receiving interest from club professionals across the country. What a great opportunity to showcase our rich history and continued improvements to our facility.

The patio work is well under way. We certainly anticipate having the patio ready for the arrival of the Easter bunny. Pool furniture still remains high on our wish list for 2017, any help would be greatly appreciated.

On a sad note we did lose a couple of long standing supporters of the Pennhills Club. Our thoughts and prayers are with those who were burdened with this loss.

I look forward to seeing everyone at the open house on Saturday, April 8th at 3 pm.

See you all soon, Kevin R Mosher
