Pennhills Perspective

April, 2015

From the General Manager's Desk

Welcome 2015! Spring has sprung, yet I fear only a one day peek as to what is to come. Soon, the longer spring will be upon us.

As we begin our 2015 season we have a full calendar of events. From Easter Sunday, April 5th right through the Holiday Season, you will see golf and social activities for everyone. Golf events return with great anticipation, adding a few new along the way. Please see the handbook & calendar for more information.

The proposed golf course renovations are coming closer to reality each day. Thank you for your continued support of The Pennhills Club.

The summer pool season will continue to grow with the arrival of a new, more efficient heating system for our pool. The clubhouse has been plastered and painted. There was also new carpeting placed throughout. All of these changes and improvements are done to better serve our membership and their needs.

There are several return staff members as well as a group of new and enthusiastic additions. Please take some time to meet our staff.

I hope that you will all take the opportunity to communicate to your friends, colleagues and family that The Pennhills Club is the place to be in 2015.

See you all soon,
Kevin R Mosher

From your PGA Professional, Jake Northrup

The new golf season is upon us and I wanted to welcome everyone back for an exciting new season at The Pennhills Club. Many of you were able to see me over the winter at my indoor teaching studio in Ellicottville and I look forward to seeing many more of you over the coming weeks here at the club. I want to extend some professional services available to you regarding equipment needs.

This time of the year is a great time to have your woods and irons regripped for the new season. I carry a variety of different grips to choose from and would be happy to order any special order grips not in house. Even though there is snow on the ground (slowly melting) this is a good time to get custom fits for woods and irons. Get those new custom clubs in time for the start of the year. I carry most of the top lines including Titleist, TaylorMade and Ping. Custom fittings are available per request and can be done at my indoor studio until the range opens.

Glen Campbell...I'll Be Me

In 2011, Glen Campbell was diagnosed with Alzheimer's disease and was told to hang it up and prepare for the worst. Instead, Glen and his wife went public with the diagnosis and announced that they and the family would set out on a Goodbye Tour. Glen Campbell...I'll Be Me documents this extraordinary journey as they navigate the unpredictable nature of Glen's disease using love, laughter and music as their medicine.
