2016 Golf Course Rules and Regulations

<p style="text-align: center;"><u>Tee Off Rules</u></p> <p>Please reserve tee time by: calling the pro shop or emailing the pro shop. Players with tee times are assured that their reservation will be honored. Those players who have not reserved tee times will enter the schedule as openings permit. Although it is advised that all players reserve a tee time, failure to do so does not deny those players the opportunity to play. Members who store their clubs are asked to alert pro shop staff so their clubs will be in the staging area when they arrive.</p>	<p style="text-align: center;"><u>Handicaps</u></p> <p>Golf handicap indexes are maintained through the Pro Shop. Posting will begin April 7th and will be updated thirteen times throughout the season until October 1st. To maintain an accurate index, golfers must enter their adjusted score after each round of golf. Proper posting procedures will be posted in the Pro Shop along with the events that constitute tournament score. Each adult golf member will be charged \$35 to maintain a USGA handicap index, the non member cost is \$45. This fee includes membership in the Western Pennsylvania Golf Association as well as tournament/event programs and permits golfers to participate in club events.</p>
<p style="text-align: center;"><u>USGA Rules Govern All Play</u></p> <p>All golf clubs shall conform to USGA specifications. There is a 14 club limit, it will be enforced for all tournaments and events.</p>	<p style="text-align: center;"><u>Pace of Play</u></p> <p>The Pennhills Club Golf Course pace of play is approximately four hours.</p> <p>The USGA pace of play rating is 3 hours and 57 minutes of total time.</p> <p>An undelayed round of golf is an important tradition of PHC. Your place on the course is directly behind the group in front of you, not directly ahead of the group behind you. Play without delay. Whenever a match shall for any reason fall more than one clear hole behind players ahead, it is expected to invite the following match to play through.</p>
<p style="text-align: center;"><u>Priority on the Course</u></p> <p>In the absence of special rules, priority on the course will be in the following order: Foursomes, Threesomes, Twosomes and Singles. Groups of three or less could experience some delay.</p> <p>During high traffic periods, the Pro Shop is authorized to match up groups of three or less to best utilize the course in order to accommodate all golfers.</p>
