JUNIOR GOLF PROGRAM

Wednesdays July 6, 13, 20, 27

Again this season, the program is open to junior golfers of members, grandchildren of members and non-members. The program will consist of four consecutive weeks of lessons, golf, rules and etiquette training with hands on approach.

The cost of the program is \$45 and includes lessons from PGA Professional Corky Buckham, supervised golf each week and an awards ceremony with lunch, trophies and program participation tee shirt on the 27th.

We're requesting that parents volunteer a week to help with chaperoning to walk with a group of juniors when they play.

The program will be fun, informative and a great experience. Each junior must have their own set of golf clubs. Appropriate attire is required. No denim or jeans and collared shirts for the boys.
